

JUAN PAREDES

SOFTWARE DEVELOPER

SUMMARY

Hey there! I'm Juan a 24 years old dude from Murcia, Spain who loves to code, travel, and Martial arts! In my spare time I also like to go on hiking and discover new places with my friends

PROJECTS

Intermediate

- Intermediate lets you read as many articles as you wish!
- Project made with: React, Hooks, Firebase
- What I've learned, how to use the Context API, how to hosted the project with firebase hosting, and how to design a database
- Live demo: <https://intermediate-44881.web.app/>

E-commerce App

- Project made with: Firebase, Stripe API, React, Hooks, CommerceJs library, CSS modules
- what I've learned: Use Stripe, CommerJs in order to process payments and send email notification to user
- live demo at <https://e-commerce-5414d.web.app/>

Dolla

- Project made with: Styled components, Firebase, Hooks, React
- A challenging project where I had to learn styled-components, used Context API, and firebase hosting.
- Live demo: <https://banking-a.web.app/>
